Ohio Governor Comes on Sec-
ond No. 10; Former Resi-
dents of Buckeye State Ex-
pected Him on Limited.

Gov. Frank B. Willis of Ohio, was
here for a short time yesterday af-
ternoon. The governor was not ex-
pected to come until last night on the
second section of Southern Train
No. 10, in the afternoon, and a few
former citizens were at the station
to meet him.

M. P. Dutcher, one of the former
of Ohio colonists here, got a tele-
gram from Dallas yesterday morning,
saying, "Governor Willis will be in
Albuquerque Saturday." He hurried
told as many of the others, who
were expecting to meet the governor,
as he could reach. Besides Mr. Dutcher,
Col. J. G. Albrecht, Ensign, U. S. A.;
H. L. Atchley and his father met the
Ohio governor.

Announcement that Governor Willis
was coming on an earlier train
had been taken as indication
that he intended to spend several
hours at the state fair. An automobile
was at the station in readiness
to take him to the grounds. However,
he was in a hurry to get back to
train and left on the train on which
he arrived, after a half hour's stay.
He spent most of his time in the Indian
museum.

With Governor Willis were Mrs.
Willis and the secretary to the ex-
ecutive.

**MOVIE DIRECTOR IS
PINCHED; RAN CAR
WITH MUFFLER OPEN**

Despite of Tom Mix's failure to
appear before Justice Judge George
Craig yesterday morning ten "iron
men" that he possessed the night be-
fore went in the city treasury. That
is the size of the load put up by him
to face his honor yesterday morning
in answer to the charge of running
his automobile with the muffler open.

Mix was arrested by Patrolman M.
Bennett shortly after midnight yes-
terday morning at Third street and
Central avenue. The policeman
heard him coming west on Central
and flagged him.

Mix is director of the Selig Pro-
duction company at Los Angeles and
lives with several members of his
company making desert stuff.
